

# CORRIGENDUM 1

## **Tender for Renovation, Civil, Plumbing, Sanitary, Electrical, False Ceiling, Door and Painting Works**

- With reference to the above-mentioned tender, the following model numbers are hereby provided **for reference purpose only** for the sanitary fittings/items specified in the tender.

| <b>Sr. No.</b> | <b>Item / Model No.</b>    | <b>Remark</b>              |
|----------------|----------------------------|----------------------------|
| 1              | <b>SPS-WHT-307953BIPP</b>  | Model number for reference |
| 2              | <b>FLS-WHT-5953BIUFPM</b>  | Model number for reference |
| 3              | <b>ARS-WHT-39951UFSM</b>   | Model number for reference |
| 4              | <b>ARS-WHT-39953BIUFSM</b> | Model number for reference |

All other terms, conditions, technical specifications, BOQ provisions and requirements of the tender shall **remain unchanged**.

This Corrigendum shall form an integral part of the tender document and shall be read in conjunction with the original tender document.

- Waterproofing treatment shall be provided to the entire floor area and adjacent wall surfaces up to a height of **3.00 ft** above finished floor level (FFL).

The waterproofing system shall include proper surface preparation, application of approved waterproofing material in accordance with the manufacturer's specifications, treatment of all corners, joints, junctions, pipe penetrations and other vulnerable locations, and shall be completed to achieve a continuous and watertight system.

All materials and workmanship shall be of approved quality and shall be subject to approval by the Engineer-in-Charge.

### **Measurement and Payment:**

The rate shall be deemed to include all materials, labour, surface preparation, corner/joint treatment, necessary accessories, curing and all incidental works required for complete waterproofing of the floor and walls up to **3.00 ft height**. (Attached your rates in civil work)

**Note:** All other terms and conditions of the tender shall remain unchanged.
